**Guest List for the upcoming Guest Chats**

There are some very interesting people that we are going to be able to chat with in the upcoming months. I get very excited about these chats. I enjoy researching the people I haven't heard of and being able to talk to them in person is so much fun.

Here is who we get to meet next:

In March we will meet Scott Meek, maker of fine hand planes and fine furniture, from Asheville. Some of you might already know him.

In April, Peter Ross, blacksmith/whitesmith, has been featured on The Woodwright's Shop, from Siler City.

In May, Mike Dunbar, Windsor chair expert who runs the Windsor Chair Institute, teen adventure series writer

**The Firefighters Outreach Session**

The Firefighters Outreach Session from February 8 was fun. Here are some pictures and links to other pictures from this session.
