SHOOTING BOARD WORKSHOP

Phil S. hosted a shooting board workshop at his shop. Everyone learned how to build a shooting board (and learning more about planes, sharpening, band saw blades, etc.).

They also made a 'donkey ear'. Now they can plane flat, true edges and miters.

NC WOODWORKER

SKETCHUP WORKSHOP

Dave Richards is literally the person who wrote the book for Sketchup. He is also a member of North Carolina Woodworker. I think that is pretty special! Last month he did a Sketchup workshop for us. It was a virtual workshop so he was able to SHOW the attendees the great Sketch-up pointers.

We appreciate having experts like you in our group!
