

THE VIRTUAL WOODWORKER'S CLUB FOR NORTH CAROLINA WOODWORKERS

Who are we?

NC residents who have an interest in woodworking ranging from the beginner to the custom builder.

Purpose:

- Provide an internet based community for NC woodworkers that is North Carolina centric.
- Provide ways for members to find other members in various NC geographical areas.
- Provide localized information for the buying and selling of woodworking related items.
- Provide Free Website Hosting for our member's woodworking related websites
- Provide internet services for NC woodworking organizations.
- Provide other services that further the above goals.

Some of the services provided:

- Discussion forums
- Each member has the option of having a Photo Album where they control the access, content and organization, and photos may be linked to, for the purpose of display on other sites.
- A non-commercial Member Buy and Sell local to North Carolina
- Announcement of events
- A directory of Web Links and/or contact information that further our overall goals.
- A Download library of woodworking plans, Tips and Tricks, etc.
- Real time chat, both public and private.
